Hello Lawana

Over the years Empire State Bank has supported Person Centered Care Services, Inc with contributions and donations which have contributed and supported our mission to ensure the health, welfare and safety of children and adults with intellectual and developmental disabilities. Most of the people we support are from low to moderate income households and they do rely on government subsidy programs, social service supports and Direct Support Professionals who support them each and every day in their home and in their community, many need 24 hour support. As an organization who relies on government funding to ensure supports are available we rely on donations and support from our community partners such as Empire State Bank to fill in the gaps of funding. Thank you to Phil Guarneri and Jeanne Sarno who have been there for us, cheering us on, making generous contributions and lending their support to help build a community of equity and belonging.

stay safe out there,

cRis marchioNNe, MA
